HOW DOES THIS PLAN WORK?

It is important to understand the features of any investment product before you decide whether to invest in it. The information set out below is to help you decide whether this Plan meets your investment needs.

Any subscription will be invested in Securities issued by the Counterparty, which are designed to have the characteristics required to achieve the investment objectives of the Plan. The return of any capital from the Plan are linked to the performance of the Underlying Asset.

Potential Investment Returns during the Investment Term

A Fixed Income is paid monthly over the Investment Term irrespective of the performance of the Underlying Asset. The table below illustrates the income you may receive depending on the initial Investment in the Plan.

| Investment Amount | Monthly Income Payments | Total Income Payable (per annum) | Total Income Payable (over the Investment Term) |
|-------------------|-------------------------|----------------------------------|---|
| £10,000 | £44.00 | £528.00 | £2,640.00 |
| £25,000 | £110.00 | £1,320.00 | £6,600.00 |

We have agreed with James Brearley for income to be distributed on the Monday following it being allocated to your Cash Settlement Account, which is being remitted via the BACS system and should result in cleared funds being received into your bank account two days later. The Service Level Agreement we have with James Brearley supports their allocation of income entitlements within 5 days of receiving it from the Issuer.

Return at Maturity

The return of your Initial Capital at the Final Observation Date is based on the performance of the Underlying Asset.

If the Final Level of the Underlying Asset is at or above the Capital Protection Barrier, you will receive 100% of your Initial Capital.

Otherwise, capital is at risk at Maturity if the Underlying Asset closes below the Capital Protection Barrier in which case investors will receive the Initial Capital decreased by the performance of the Underlying Asset, thus resulting in a partial or total loss of their Initial Capital.

IMPORTANT:

If the Closing Level of the Underlying Asset is not published by the Underlying Asset Sponsor on either the Investment Start Date or the Final Observation Date, the next Scheduled Trading Day will be used to determine the Closing Level of the Underlying Asset. You could lose some or all your investment if the Counterparty were to fail or become insolvent.

THE RISK TO YOUR CAPITAL

At Maturity Date there will be a capital loss if the Final Level of the Underlying Asset is below the Capital Protection Barrier on the Final Observation Date.

There are two possible scenarios for the Maturity Date:

1. You will receive 100% of your Initial Capital if the Final Level of the Underlying Asset is at or above 65% of the Opening Level.
2. If, however, the Final Level of the Underlying Asset is below the Capital Protection Barrier your Initial Capital will be reduced by 1% for every 1% the Final Level is below the Opening Level.

The table below shows some examples of repayment of your Initial Capital in a range of scenarios for the Plan. Examples are based on an Initial Capital Investment of £10,000.

| Final Level of the Underlying Asset in relation to the Opening Level | Is the Final Level below the Capital Protection Barrier? | Amount of your Initial Capital repaid to you | Explanation |
|--|--|--|--------------------------|
| -25% | No | £10,000 | Initial Capital returned |
| -35% | No | £10,000 | Initial Capital returned |
| -36% | Yes | £6,400 | £10,000 x 64% |
| -75% | Yes | £2,500 | £10,000 x 25% |

IMPORTANT: The table does not give predictions of what we believe an investor might receive. It is designed to illustrate how the return of the money invested in the Plan is calculated. You should be aware that you could lose all your money. Irrespective of the performance of any Index, your Initial Investment and the potential returns from the Plan are at risk if the Counterparty were to fail or become insolvent.

THE UNDERLYING ASSET

Your money is not invested directly into the Underlying Asset. However, as the repayment of your Initial Capital is dependent on the performance of the Underlying Asset, it is important to understand what it is and how it could affect your money.

FTSE 100 Index

The FTSE 100 Index is a capitalization-weighted index made up of the top 100 UK-listed companies by market capitalisation, traded on the London Stock Exchange. The equities use an investability weighting in the index calculation. The index was developed with a base level of 1000 as of December 30, 1983.

IMPORTANT: Past performance is not a reliable indicator of future performance and should not be used to assess the future returns or risks associated with this Plan. It is important to note that you will not be entitled to receive the dividends that could normally be available if you had invested directly in the shares of the companies constituting the Underlying Asset.

RISKS INVOLVED IN THE PLAN

Counterparty Risk

By investing in this Plan, you are taking a credit risk with the Counterparty. It is their responsibility to make the payment of any return of capital and income payments due from the investments. However, in the unfortunate event of bankruptcy or payment default by the Counterparty, you may be exposed to a partial or total loss of capital.

Market Risk

If a global economic recession occurs, the financial markets may become much weaker. The markets can also be disrupted by political or climatic events. Changes in economic policies, tax rates, or interest rates can affect the performance of the Underlying Asset.

Inflation Risk

The value of your investment and any returns you may qualify for are not linked to inflation. If inflation is high over the term of the Plan, the real value of the Plan may decrease thus affecting the real value of any returns you may receive.

Early Redemption Risk

The actual risk can vary significantly. If you cash in at an early stage, you may get less Initial Capital back. You may not be able to sell your Plan easily or must sell at a price that will impact how much return you get back.

Liquidity Risk

The Issuer of the Securities and/or Counterparty aims to provide, but cannot guarantee, a secondary market for the Securities during the Investment Term. However, certain market circumstances may have a negative impact on the liquidity of the Securities and result in the partial or total loss of your Initial Capital.

Subscription Risk

If the Plan is oversubscribed your application may not be satisfied, and any payments received in excess of the total trade size initially agreed will be returned.

Regulatory risk

Under the EU Bank Recovery and Resolution Directive (BRRD), national supervisory bodies have certain powers to intervene with failing financial institutions which they determine could cause financial instability or public harm. If the Counterparty becomes subject to this resolution, your investment may be early redeemed, cancelled or converted into equity amongst other measures which could adversely affect the value of these securities.

IS THIS PLAN SUITABLE FOR YOU?

This Plan is designed for UK investors with the investment characteristics outlined below. You should speak with a financial adviser to determine whether the Plan is suitable for your individual situation.

Market view

You should have neutral or positive expectations for the performance of the Underlying Asset because this is required for the Plan to make money. Otherwise, this Plan does not suit your market view.

Customer type

This Plan is designed for retail investors who receive advice from their investment advisor prior to investing in the Plan.

Knowledge and experience

You have some knowledge or experience of similar investments, financial markets, and the Underlying Asset, which allows you to understand the risks associated with this Plan. You have read the Brochure and the

associated KID and understand how this investment works.

Risk tolerance

You should be comfortable with the level of risk described in this document and the associated KID. Otherwise, this Plan does not suit your risk tolerance.

Ability to bear losses

You understand that the return of your capital invested and any potential growth on capital invested will depend on the performance of the Underlying Asset.

Investment term

You are willing to invest your Initial Capital until the end of the Investment Term.

Objective

You are looking for an investment to draw monthly income and/or preserve your wealth, not growth.

Distribution Channel

We highly recommend taking professional financial advice.

Vulnerable Customers

Customers with certain characteristics may be vulnerable to poor outcomes, especially if the Plan does not perform as expected. The elderly, digitally averse, anyone suffering a bereavement and those suffering an income shock should proceed with caution. Customers who think they may have characteristics of vulnerability should seek professional financial advice.

IF YOU DO NOT AGREE WITH ALL OF THE STATEMENTS ABOVE, THIS PLAN MAY NOT BE APPROPRIATE FOR YOU.

IMPORTANT: We highly recommend taking professional financial advice before deciding whether to apply for this Plan. We do not provide tailored advice on customers' specific needs, or if they fall within our target market. The information provided on this page is not investment advice or an investment recommendation. We have not taken individual circumstances into consideration.

WHO IS INVOLVED WITH THE PLAN?

Plan Manager

Causeway Securities Limited ('Causeway Securities') is the Plan Manager and will outsource the administration and safekeeping of client assets to the Plan Administrator.

Causeway Securities is an independent cross-asset brokerage authorised in the UK by the FCA. We offer a personalised and independent service to source and manage bespoke structured investment solutions, exclusively designed to meet our clients' varying risk and return profiles.

We are responsible for designing and arranging the Plan, working with the Issuer of the Securities and/or Counterparty Bank (who are responsible for the investments that the Plan is based on), and promoting the Plan. We do not offer financial advice or guidance on tax issues. However, we believe it is most important to seek advice on these matters, prior to investing in this Plan. We also arrange support for the professional advisers who use the Plan with their clients.

Plan Administrator

James Brearley & Sons Limited, also known as James Brearley, is the Plan Administrator. They are responsible for providing administration and custodian services for the Plan. As an investor in the Plan, you will become a client of James Brearley. This means that they have several responsibilities towards you. These include processing applications during the offer period, acting as your agent in purchasing the Plan on the Start Date, processing all payments that are due during the Investment Term and at Maturity, ensuring the safekeeping of the investments and any cash held within the Plan, communicating with you throughout the term (such as providing statements and valuations), and offering general administration support to both you and your professional adviser throughout the Term of the Plan.

Please read the Plan Administrator Terms and Conditions before investing. These are available from your financial adviser or at www.causeway-securities.com

WHO IS INVOLVED WITH THE PLAN?

Issuer of Securities

Morgan Stanley B.V. is the Issuer of the Securities. They have not prepared this document and therefore accept no responsibility for its contents, nor any liability for any losses in connection with the information contained herein. Causeway Securities have prepared this document and accepts responsibility for its contents. For more information on the Issuer of the Securities and/or Counterparty, please visit their website www.morganstanley.com

Credit ratings can be used to evaluate an institution's creditworthiness. They are assigned by independent organisations known as credit rating agencies. The below table provides ratings from three main Credit Rating Agencies.

For more information on credit ratings or other methods of assessing the financial strength of a Counterparty, please consult your financial adviser.

| AGENCY | RATING | OUTLOOK |
|---------------------|--------|---------|
| Moody's | A1 | Stable |
| Standard and Poor's | A- | Stable |
| Fitch | A+ | Stable |

IMPORTANT: The credit rating of the Issuer of the Securities is subject to change during both the offer period and the Investment Term. Any information on credit ratings of the Counterparty provided in this Brochure is correct as at 14 October 2024. The credit ratings assigned to the Counterparty can change at any time without notice.

FEES AND CHARGES

Causeway Fees

Causeway Securities will receive a fee from the Counterparty for arranging this Plan. The charges have been fully accounted for in the calculation of the Potential Investment Returns and are expected to equate to approximately 2%. The exact amount can be affected by various factors during the offer period.

The fee covers the set-up, and the Plan costs, as well as contributing to Causeway Securities marketing and distribution costs, general operating costs and profits.

Other Fees

Should you decide to encash, withdraw or transfer your Plan at any time during the Investment Term, an administration fee of £100 will be charged and retained by James Brearley. The fee covers the administrative and processing costs in relation to receiving client instructions, arranging the sale and settlement of your Plan, and transferring the sale proceeds to you.

Adviser Fee

Causeway Securities requires that applications to invest in the Plan are submitted through a regulated financial adviser. The amount of any Adviser Fee payable for their service is something you should discuss and agree with your adviser.

You may instruct payment of an agreed initial Adviser Fee from the money you sent with your application. If you want to do this, you should include the amount and instruct James Brearley in your application. James Brearley will pay the Adviser Fee, deducted from the money you have sent, to your adviser's firm.

The amount of any Adviser Fee must be set out in your application. If you change your mind about investing after your application has been accepted, it is likely that your Adviser Fee has already been paid to your financial adviser and neither James Brearley nor Causeway Securities will be able to return the authorised Adviser Fee to you.

AVAILABILITY

It is our understanding of current legislation and known HMRC practice that any investment return from direct investment by individuals or Trusts into this Plan is expected to be subject to Income Tax. Investors should obtain their own tax advice.

We do not provide tax advice so you should discuss with your financial adviser what is the best and most tax-efficient option for you. Further information about tax in the UK, ISAs and pensions, is available from the UK government website at www.gov.uk

IMPORTANT: For your own benefit and protection, you should read the brochure and all of the Terms and Conditions relevant to this Plan before completing the Application Form. If you do not understand any point, please ask your financial adviser for further information.

FREQUENTLY ASKED QUESTIONS (FAQ'S)

What should I do if I want to complain?

Both Causeway Securities and James Brearley have a comprehensive complaints procedure that adheres to the principles of treating customers fairly. If you wish to make a complaint, this can be made verbally, by telephone or in person, or via a written communication delivered in person, via post, e-mail or fax. In the first instance, the complaint will be handled by the Complaints Officer of the firm your complaint is addressed to, who will conduct an initial investigation and attempt to reach a fair and impartial conclusion.

If you are not satisfied with the way your complaint is dealt with you can refer your complaint, free of charge, to the Financial Ombudsman Service at Exchange Tower, London, E14 9SR Telephone: 0800 023 4567 Website: www.financialombudsman.org.uk Referring to a complaint does not prejudice your right to take legal action.

Can I change my mind?

Yes. You have the right to change your mind and cancel your investment. You will be issued with a cancellation notice by the Plan Administrator when they accept your Plan Application.

If you want to cancel your Application, the Plan Administrator must receive your completed cancellation notice within 14 days from the date they send it to you. Cancellation notices should be addressed to Causeway Securities Limited, c/o James Brearley & Sons Limited, PO Box 34, Unit 2, Burton Road, Blackpool FY4 4WX.

If the Plan Administrator receives your cancellation notice prior to the Start Date, they will cancel your Application for the Plan and you will receive a refund of your Initial Capital (in other words, your Payment less any Adviser Fee that has been authorised).

If the Plan Administrator receives your cancellation notice after the Start Date, they will cash in your Plan, and you will receive the market value of the Plan on the date that the Plan Administrator completes your cancellation instruction. This may be less than you invested if the value of the Plan has fallen.

If I cancel my investment, what happens to any Adviser Fee?

If you decide to cancel your investment, the Plan Administrator may have already taken and paid your authorised Adviser Fee to your adviser. This means that you would need to contact your adviser to discuss whether they can return the fee to you.

FREQUENTLY ASKED QUESTIONS (FAQ'S)

What happens if the Plan is oversubscribed?

When a Plan is in the process of being constructed, an initial trade size is agreed between Causeway Securities and the Issuer of the Securities. The amount of investments received and the amount raised is closely monitored and when approaching the initial trade size, Causeway Securities discusses increasing the size of the trade with the Issuer of the Securities to accommodate any additional investments.

On occasion, the two parties may be unable to agree on viable terms to increase the trade size and as a result, the initial trade size may represent the maximum amount that can be accepted into the Plan. In this instance, the Plan will be closed early, and any Payments received in excess of the total trade size initially agreed will be returned to the Investor.

What information will I receive?

You will receive a confirmation note and details of the final terms of the Plan once your investment in the Plan is made. You will then

receive a quarterly valuation report as of the end of March, June, September, and December, along with a tax report each May, to include amongst other things a consolidated tax certificate and supporting income schedules. These documents will all be made available via the James Brearley website. Access rights to the site will be forwarded to you by James Brearley.

If you have additional questions, please contact your financial adviser.

How much am I able to invest?

The minimum Investment amount is £10,000. The full amount will be invested in the Plan unless you have instructed a payment to be made to your adviser as a fee from this amount. The amount invested will then be the full amount minus the adviser fee. You can invest through an ISA. For the 2024/25 tax year, the ISA allowance is £20,000. The 2024/25 tax year runs from 6 April 2024 until 5 April 2025.

Can I cash in my Plan before it matures?

Yes, you may encash some or all of your Plan before the Maturity Date but take into consideration the fact that Potential Investment Returns are structured on the basis that the Plan runs until Maturity. An early encashment may result in you receiving an amount that is less than you originally invested. You may encash your Plan by providing the Administrator and Custodian with your written instruction to that effect. You will be charged a total administration fee of £100 which will be charged by James Brearley. The proceeds will then be repaid to you as per your instructions or in the case of an ISA, retained in your ISA. Please refer to clause 9 of the Plan Terms and Conditions for more information on early encashment.

FREQUENTLY ASKED QUESTIONS (FAQ'S)

What happens if Causeway Securities or James Brearley becomes insolvent?

Causeway Securities is responsible for designing, promoting, and distributing the Plan and monitors the performance of the Plan throughout its term. James Brearley is the Administrator and Custodian of the Plan. Therefore, when submitting an application to invest you will be agreeing to become a client of James Brearley. The client relationship will be between you as the client and James Brearley. James Brearley will be responsible for providing all documentation and making payments to clients from the application stage to Maturity.

Causeway Securities is responsible for paying for the services of James Brearley for the ongoing custody and administration of your investment, the cost of which is paid by Causeway Securities to James Brearley when you buy your Plan. This payment covers the services required by James Brearley to satisfy the regulatory and client requirements that a Custodian/ Administrator must provide for the full term of the Plan. As Causeway Securities never holds any of your money or your investment after your

money is invested, your Plan will not be affected should Causeway Securities enter administration/ liquidation. James Brearley as the Custodian has responsibility for administering your investment on your behalf for the term of the Plan. Strict rules relating to the administration of client monies and assets dictate that there must be segregation between a client's holdings and that of the company acting as Custodian. Therefore, should James Brearley encounter any financial difficulty, neither your money nor your investments should be affected. Your payment will be held in cash prior to the purchase of your investment and following its maturity.

During these periods, your money will be held in a segregated client money bank account with an authorised and regulated Bank or Building Society. In the unlikely event that James Brearley enters administration during either the period prior to the purchase of the securities or after the Maturity of the Plan, your money will be returned to you by the insolvency practitioner. Should James Brearley enter administration during the term of the Plan the insolvency practitioner would facilitate the transfer of your

investment to an alternative Administrator and Custodian. In the event of any shortfall in the client monies or the nominee position in relation to your investment held by James Brearley, under current regulation up to £85,000 will be covered for each investor by the Financial Services Compensation Scheme (FSCS). For more information, please refer to Clause 28 in the Plan Terms and Conditions.

before investing in this Plan. James Brearley & Sons Limited cannot accept an application from you if it has not been submitted through an FCA-regulated financial adviser. This Brochure has been approved by Causeway Securities Limited as a financial promotion pursuant to s. 21 of the Financial Services and Markets Act 2000. Causeway Securities Limited is authorised and regulated by the UK's Financial Conduct Authority (749440).

The Glossary defines the terms used in this Brochure, normally such terms are capitalised.

Information on past performance is no guide to or guarantee of future performance. The value of an investment can fall as well as rise and is not guaranteed.

You should conduct such independent investigation and analysis of the tax treatment of an investment as you feel appropriate, to evaluate the merits and risks of an investment in the Plan.

The information on taxation contained in the Brochure is based on our understanding of rates of tax, current legislation, regulations,

and practice, which are likely to change in the future and which may be backdated.

Any financial adviser shall fully disclose and agree with its clients the existence, nature, and amount of all the fees it receives in respect of sales of the Plan. They must also confirm any such fee complies with all applicable laws and regulations in all relevant jurisdictions and its receipt does not conflict with applicable regulations or any duty to act in the best interest of any person to whom the financial adviser owes any such duty.
